GOODBYE TO ROMANCE *by: Ozzy Ozbourne*

Yesterday has been and gone
Tomorrow will I find the sun
or will it rain
Everybody having fun
Except me and the lonely one
I live in vain

Cause it ain't
Goodbye to romance, yeah
Goodbye to friends, I'll tell you
Goodbye to all the best, I guess that
We'll meet, we'll meet in the end

I've been the king, I've been the clown
Now broken wings can't hold me down
I'm free again
The jester with his broken crown
It won't be me this time around
To love in vain

Repeat Chorus

And I feel the time is right
Although I know that you just might
Say to me what you're gonna do
What you're gonna do
But I have to take this time
Goodbye to friends and to romance
And to all of you, and to all of you

Repeat Chorus

And the weather's lookin' fine
And I think the sun will shine again
And I feel I've cleared my mind
All the best is left behind again

Repeat Chorus

Class Motto: If you can imagine it, you can achieve it.
If you can dream it, you can become it.
Believe in yourself and all things are possible.

Underclassmen Poem

We are underclassmen,
and though we think we're neat
We always walk behind them;
we take a back seat
We take a lot of teasing, and
many a wise crack
Sometimes you don't even see us;
at assemblies we're in the back
We are underclassmen
and there's not much we can do;
Until that one great day comes,
when we are SENIORS too!
